

Help out at Pride with IT GETS BETTER UK

It Gets Better UK envisions a world where all LGBTQ+ youth are free to live equally and know their worthiness and power as individuals.

At Pride, we run stalls where people can share their story, a message to their younger self, or message of support. The conversations we have are uplifting and often emotional.

What happens at a stall?

- Stalls are delivered as a team.
- Help with set up and tidy up.
- Welcome people to the stall and introduce them to It Gets Better UK.
- Invite them to write a message and take a photo.
- Help film interviews (as camera-person or interviewer) collecting people's stories and reflections.
- Signpost people to further support.

When?
